What is a Preparation Centre?

A Preparation Centre is any school or institution (primary school, secondary school, college or private language school) that prepares and enters candidates for Cambridge English Language Assessment exams. If your school has built preparation for Cambridge English exams into as part of your product offering, your school can then become a preparation centre and, therefore, a valuable member of our global Preparation Centre Network.

What can your school get by joining the Preparation Centre scheme?

There is a variety of exclusive benefits that your school can enjoy by becoming a Cambridge English Preparation Centre:

- Access to Cambridge CELA Online for Preparation Centres website, with marketing materials and ready made presentations for parents
- The ability to view and download candidates' exam results, including archived results
- Newsletters directly from Cambridge CELA which include new developments and special offers
- Exam Date Flyers
- Easy access to other CELA websites through CELA Online
